

LICENSED APPLICATION END USER LICENSE AGREEMENT AND PRIVACY POLICY

The Products transacted through the Service are licensed, not sold, to you for use only under the terms of this license. The licensor (“Application Provider”) reserves all rights not expressly granted to you. The Product that is subject to this license is referred to in this license as the “Licensed Application”.

a, Scope of License: This license granted to you for the Licensed Application by Application Provider is limited to a non-transferable license to use the Licensed Application on any iPhone, iPad or Android equipped phone, tablet or similar device that you own or control. This license does not allow you to use the Licensed Application on any iPhone, iPad or Android equipped phone, tablet or similar device that you do not own or control, and you may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Licensed Application. You may not copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Licensed Application). Any attempt to do so is a violation of the rights of the Application Provider and its licensors. If you breach the restriction, you may be subject to prosecution and damages. The terms of the license will govern any upgrades provided by Application Provider that replace and/or supplement the original Product, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

b, Consent to Use of Data: You agree that Application Provider may collect and use technical data and related information, including but not limited to geo localization of the device, technical information about your device, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, product support and other services to you (if any) related to the Licensed Application. Application Provider may use this information, as long as it is in a form that does not personally identify you, for any purpose such as to realize statistics on Licensed Application usage behavior, to send notifications to you, and to improve its product or to provide services or technologies to you.

c, Termination: The license is effective until terminated by you or Application provider. Your right under this license will terminate automatically without notice from the Application Provider if you fail to comply with any term(s) of this license. Upon termination of the license, you shall cease all use of the Licensed Application, and destroy all copies, full or partial, of the Licensed Application.

d, No Warranty: You expressly acknowledge and agree that use of the Licensed Application is at your sole risk and that the entire risk as to satisfactory quality, performance, accuracy and effort is with you. All drop size information is based on water spraying at 20°C and a humidity level of 80% and does not reflect the effects of chemicals mixed in the tank. To the maximum extent permitted by applicable law, the Licensed Application and any services performed or provided by the Licensed Application (“Services”) are provided “as is” and “as available”, with all faults and without warranty of any kind, and Application Provider hereby disclaims all warranties and conditions with respect to the Licensed Application and any services, either express, implied or statutory, including but not limited to, the implied warranties and/or conditions of merchantability, of satisfactory quality, of fitness for a particular purpose, of accuracy, of quiet enjoyment, and non-infringement of third party rights. Application Provider does not warrant against interference with your enjoyment of the Licensed Application, that the functions contained in, or services performed or provided by, the Licensed Application will meet your requirement, that the operation of the Licensed Application or services will be uninterrupted or error-free, or that defects in the Licensed Application or services will be corrected. No oral or written information or advice given by Application Provider or its authorized representative shall create a warranty. Should the Licensed Application or services prove defective, you assume the entire cost of all necessary servicing, repair or correction.

e, All weather information such as wind and temperature is delivered by OpenWeatherMap Inc., 800 West El Camino Real , Suite 180, Mountain View, CA 94040, USA following an API integration of the Licensed Application with openweathermap resulting as part of a free subscription under the conditions shown on the website openweathermap which can be visited at the following address: <http://openweathermap.org/>. In consequence, the application provider can under no circumstances be held responsible for the information indicated or any resulting action by the user of the application or any person or company linked directly or indirectly to the user. On particular, every user is exclusively responsible for the use of any nozzle under all circumstances.

f, Limitation of Liability: To the extent not prohibited by law, in no event shall Application Provider be liable for personal injury, or any incidental, special, indirect or consequential damages whatsoever, including, without limitation, damages for loss of profits, loss of data, business interruption or any other commercial damages or losses, arising out of or related to your use of inability to use the LicensedApplication, however caused, regardless of the theory of liability (contract, tort or otherwise) and even if Application Provider has been advised of the possibility of such damages.

g, Applicable law: The laws of France govern this license and your use of the Licensed Application.
